Welcome Tigersharks

Welcome to Wildcat Ridge Tigersharks summer season 2010.

We are looking forward to a great summer season and enjoying a great community activity.

We have several events planned over the summer to get involved with your teammates and the families.

Mark Your Calendar

May 23rd - Pancake Breakfast and Silent Auction

June 27th - Dive-In Move Night at the pool

July 8th - Wine & Beer Tasting and Fundraiser

July 18th - Team Banquet

Buddy & Mentor Programs

The first year on swim team can be challenging, especially for younger swimmers. We are offering a "buddy" program for new swimmers - or swimmers who just want to have an older friend on the team. If you are interested in being a buddy or having a buddy, contact Sheila Marino and Janice Chandler for more information.

Also, for families interested in either mentoring a new family or being mentored by an existing family, we are running a "mentor" program. You can sign up to be a mentor family or be mentored by a family who's been on the team for a few years. We want to make the swim team experience a good one - and there is so much to know - contact Sheila and Janice for more information.

Note:

The Web site has the contact page with email and phone numbers for all board members.

Check out the Parent Survival Guide on the Web site, too!
